Repeat, repeat, repeat

It's fine to expect a different outcome

Ha ha ha! Really, but why? I don't need a reason, said The President The fish was delicious It's a daily ritual of confusion and trust Please have some more wine! In that case, is it senseless to try hard? Rather silly I would say, yes. When we do nothing at all it works best A calm mind leads to the relaxation of our body we get heavy as a rock. Immovable really? Exactly, heavy and immovable! And fat too, said the servant With power comes responsibility If it takes too much energy you are doing something wrong Sneeze Could you repeat that? I forgot what I said earlier. I like to live now Wine? Yes Yes please The only rule is work
